

Bulletin No.: AFR-14-50

Attention : All Team Managers and Competitors/所有车队经理及参赛者
Subject : Reminder for renewal of safety parts/更换过期安全配件提醒
Date : 17th July, 2014

Dear Team Managers and Competitors:

致各位车队经理及参赛者:

From the last scrutineering session, it was found that many of our entries' Safety Parts (i.e. Safety Belts, Fire Extinguishers, and Fuel Tanks) were expired. Due to safety reason, Chief Scrutineer requires all cars which have safety parts that were expired should be changed before next round in September. Here to remind all teams and car owners to check and ensure the above-mentioned parts are within the expiry dates, so that we can ensure all entries can pass the Scrutineering.

从上一场比赛的验车环节得知,有不少参赛车辆的安全配件(安全带、灭火器、油箱)已经过期。由于安全的原因,验车官建议所有有过期安全配件的赛车,在九月下一场比赛前,更换过期配件。现提醒各车队及车主,检查并确保上述配件不会过期,以确保所有参赛车辆都能通过验车。

For your information and guidance.
